

# Choices! Choices!

Match the good and bad choices that people have made. Follow the example given.

✗ To not worry about the environment

To never think about God

To misbehave at school

To be friendly with others

To listen to one's parents

**To Remember :**  
**God gives us free will to choose to do good.**

Heavenly Father,  
thank you for the gift of free will. Help me to use it wisely so that I may always follow your example.  
Amen.
