- *Mary Magdalene cried when she did not find Jesus' body in the tomb. To find out what she said unjumble her tears.*

Dear Jesus, please help me when I am afraid and confused.  
Help me when I am sad and lonely. Help me to see you when you are near.  
Help me to hear you when you call my name. Amen.

## TO REMEMBER:

*There is no need to weep,  
for Jesus has risen from the dead.*
